

School Default Rates

The [U.S. Department of Education](http://www.ed.gov) releases official cohort default rates once per year. A cohort default rate is defined as “the percentage of a school's borrowers who enter repayment on certain Federal Family Education Loan (FFEL) Program or William D. Ford Federal Direct Loan (Direct Loan) Program loans during a particular federal fiscal year (FY), October 1 to September 30, and default or meet other specified conditions prior to the end of the second following fiscal year”.
